WEDNESDAY | 24 APRIL 2024
PROGRAM AT A GLANCE

REGISTRATION WILL START AT 08:00

	Hall A (Al Saraya 1)	Hall B (Al Hambra)	Hall C (Abdeen)	Hall 1 (Montazah 1,2)	Hall 2 (Montazah 3,4)	Hall 3 (Al Manial)	Hall 4 (San Souci 1)	Wetlab (Mamouniah)
10:00 - 10:30	Session 1: KKESH Latest updates in ophthalmology KKESH experience		Free Paper I: Posterior segment	Course 1: Investigation Retinal imaging Course: FFA & Basic OCT	Free Paper II: Ocular adnexa	Course 2: Retina Sub-threshold {Micropulse} laser treatment in ophthalmology	Course 3: Glaucoma: Trabeculectomy from A-Z	Glaucoma Wetlab Sponsored by Orchidia
10:30 - 11:00								
11:00 - 11:30								
11:30 - 12:00	Session 3: Cataract 1: Excellence in action	Session 2: Ocular surface disease	Free Paper III: Anterior segment & Refractive surgery	Course 4: Retina: Vitrectomy from A-Z	Course 5: Glaucoma: Congenital glaucoma	Course 6: Investigation: Ocular ultrasound	Course 7: Cornea: Penetrating keratoplasty: from basic to advanced	
12:00 - 12:30								
12:30 - 13:00								
13:00 - 14:00	COFFEE BREAK							
14:00 - 14:30	Keynote Lecture 1	Symposium: Pharco	Keynote Lecture 2	Course 8: Cataract: Basic phaco	Course 9: Refractive: Post LASIK ectasia	Course 10: Investigation: OCT and OCTA Updates	Course 11: Ophthalmic emergencies	Glaucoma Wetlab Sponsored by Orchidia
14:30 - 15:00								
15:00 - 15:30								
15:30 - 16:00	Session 4: Pediatric ophthalmology 1: The road to the future	Session 5: Glaucoma 1: Glaucoma management: The essentials	Session 6: Medical retina and imaging updates	Course 12: Uveitis: Practical tips in ocular sampling & Treatment of uveitis	Course 13: Investigation: Electrophysiology	Course 14: Retina: Diabetic retinopathy from A to Z	Course 15: Research ethics course	
16:00 - 16:30								
16:30 - 17:00								
16:00 - 16:30	Keynote Lecture 3	Symposium: Orchidia	Course 16: PC rupture and zonulopathy conquering capsule	Course 18: Cataract: Management of aphakia	Course 19: Refractive: Understanding ReLEX SMILE	Course 20: Neuro- ophthalmology: Vision rehabilitation challenges	Course 21: Investigation: Optimal use of ophthalmic investigative tools for accurate diagnosis	
17:00 - 17:30								
17:30 - 18:00								
17:00 - 17:30	Session 8: Surgical retina panel 1	Session 7: Cornea 1: Keratoplasty updates	Course 17: Mastering phaco chop					
17:30 - 18:00								
18:00 - 18:30								
18:30	LUNCH TIME							

THURSDAY | 25 APRIL 2024

PROGRAM AT A GLANCE

	Hall A (Al Saraya 1)	Hall B (Al Hambra)	Hall C (Abdeen)	Hall 1 (Montazah 1,2)	Hall 2 (Montazah 3,4)	Hall 3 (Al Manial)	Hall 4 (San Souci 1)	Wetlab (Mamouniah)
09:00 - 09:30	Shams- Al-Deen Glaucoma Lecture			Course 22: Cornea: Surgical treatment updates in infective keratitis		Course 23: Cornea: Approach to the most feared: Corneal ulcers	Course 24: Cataract: Extracap & manual small incision	
09:30 - 10:00	Session 11: Glaucoma 2: Perfecting your glaucoma management	Session 9: Cataract: Cataract with ocular co-morbidities	Session 10: Young ophthalmologists					
10:00 - 10:30								
10:30 - 11:00								
11:00 - 11:30	Session 12: AAO American Academy of Ophthalmology	Session 13: Pediatric ophthalmology 2: International strabismological association symposium	Course 25: Non penetrating trabecular surgery		Course 26: Oculoplastic: Upper and lower blepharoplasty and beyond	Course 27: Cornea: DALK from scratch to perfection	Course 28: Retina: Pigmented uveal mass mystery	Keratoplasty Wetlab Sponsored by Orchidia
11:30 - 12:00			Symposium: Roche					
12:00 - 12:30								
12:30 - 13:00								
13:00 - 14:00	13:15 - 13:45 Zahi Hawass Lecture	COFFEE BREAK						
14:00 - 14:30	13:45 - 14:30 Soliman Lecture	Symposium: Jamjoom		Course 29: Glaucoma: Surgical glaucoma management	Course 30: Oculoplastic: Orbit	Course 31: Neuro- ophthalmology course	Course 32: Strabismus: Strabismus cases: Solving the buzzle	Keratoplasty Wetlab Sponsored by Orchidia
14:30 - 15:00		Keynote Lecture 4	Session 14: Black Sea session					
15:00 - 15:30	Session 15: Cataract 3: Cataract complications, you make the call	Session 16: Retina 2: Cross roads in VR surgery: Challenging decisions!		Course 33: Investigation: Multifocal choroiditis, Understanding what lies beneath	Course 34: Glaucoma: Glaucoma in difficult situations	Course 35: Cornea: Updates in CXL .. indications, techniques, and clinical outcomes	Course 36: Strabismus: Towards a better success	
15:30 - 16:00			Session 17: Gulf session					
16:00 - 16:30	Keynote Lecture 5	Symposium: EVA Pharma						
16:30 - 17:00	Session 18: Cornea 2: My pearls of experience in management of corneal diseases	Session 19: Refractive 1: Refractive surgery off road	Session 20: HSIOIRS: Cataract surgery as a refractive Procedure	Course 37: Retina: Basic course in therapeutic ophthalmic lasers	Course 38: Investigation: Diagnostic and prognostic biomarkers in OCT & OCT angiography	Course 39: Cataract: How to deal with complications during phacoemulsification	Course 40: Cataract: The art of pupilloplasty and iris surgery	
17:00 - 17:30								
17:30 - 18:00								
18:00 - 18:30								
18:30	LUNCH TIME							

FRIDAY | 26 APRIL 2024
PROGRAM AT A GLANCE

	Hall A (Al Saraya 1)	Hall B (Al Hambra)	Hall C (Abdeen)	Hall 1 (Montazah 1,2)	Hall 3 (Montazah 3,4)	Hall 3 (Al Manial)	Hall 4 (San Souci 1)	Wetlab (Mamouniah)	
10:00 - 10:30	Session 21: Refractive 2: Refractive surgery on road			Course 41: Glaucoma: Lasers in the treatment of glaucoma	Course 42: Cornea: Tips to avoid and manage perforations in DALK	Course 43: Cornea: Dehydrated amniotic membrane in ocular surface diseases, indications and techniques	Course 44: Uveitis: Infectious uveitis: New challenges emerge	Wetlab 3	
10:30 - 11:00				Course 45: Pentacam course	Course 46: Cornea: DMEK in challenging situations	Course 47: Cornea: Difficult corneal situations	Course 48: Oculoplastic: Thyroid eye disease	Course 49: Investigation: Ultrawide field retinal imaging: Mastering the basics and beyond!	Wetlab 3
11:00 - 11:30				Session 22: Glaucoma 3: Glaucoma common cases	Session 23: Medical retina 2: Every day retina challenge	13:00 - 14:00			
11:30 - 12:00	GOMAA PRAYER & COFFEE BREAK								
12:00 - 12:30	Session 24: Refractive 3: IKS session	Keynote Lecture 6	Session 25: Women in ophthalmology	Egyptian Eye Hospitals and Centers Association	Course 50: Retina: ROP from A to Z	Course 51: Retina: Scleral buckle	Course 52: Cataract: Phaco in challenging cases		
12:30 - 13:00				Course 53: Glaucoma: Mastering basic skills for glaucoma management I	Course 54: Retina: Vitreous macular interface abnormalities course	Course 55: Investigation: Anterior segment imaging		Wetlab 3	
13:00 - 14:00				Session 26: Oculoplastic 1: Eyelid surgery symposium	Session 27: Video competition and closing ceremony	Course 56: Endothelial keratoplasty made easy	Course 57: Glaucoma: Mastering basic skills for glaucoma management II	Course 58: Refractive: Handling refractive surgery complications, LASIK, CXL, PIOL & more	Course 59: Investigation: Visual field
14:00 - 14:30	18:30								
14:30 - 15:00	LUNCH TIME								
15:00 - 15:30									
15:30 - 16:00									
16:00 - 16:30									
16:30 - 17:00									
17:00 - 17:30									
17:30 - 18:00									
18:00 - 18:30
