WELCOME TO SUMMER MEETING

Dear Colleagues,

With great pride, we are delighted to welcome you to the International Congress of the Egyptian Ophthalmological Society Summer Meeting 2025 (EOS), which take place at Gewan Resort, New Alamein, Egypt, from 16 to 17 October 2025.

This event will feature a distinguished faculty who will contribute to a rich scientific program, tackling complex and timely topics in ophthalmology.

Highlights of the congress include keynote presentations with interactive Q&A sessions, as well as expert-led discussions that will promote engaging dialogue and deeper insights.

We look forward to connecting with all of you at this exceptional summer gathering!

A vibrant summer beach scene. In the top left, a large beach umbrella with yellow and white triangular panels is partially visible. To its right, a red and white striped beach towel is folded. The foreground is a sandy beach with gentle waves and white foam. A red and white striped lifebuoy floats in the water. Green palm fronds and small white flowers are scattered around. A seashell and a starfish are also visible on the sand.
